

Timeline for Final Presentation

Presentation Due Date: _____

Course: _____

Quarter: _____

Group #: _____

Topic: _____

[See online Group Presentation Instructions document for details.]

Prepare

Student Names

Completion Date

Group/Artist Biography

(biographical info, why was this topic selected?, etc.)

Musical Style

(how does this artist's style compare to other music of the period? how does this music fit into the evolution of rock & roll? were there unique and/or innovative elements of the musical/performance style?)

Musical Influences

(two perspectives: [a] influential predecessors of this artist's style and [b] later musicians who were influenced)

Other Music of the Period(s)

(how did the style of this group/artist fit into the music of their time? what important social or political events occurred during the period that might have impacted their musical development?)

Musical Analysis

(though a couple of students may serve as leaders, all group members should participate in this aspect of the project, using newly-acquired listening skills)

All Group Members

Determine Presentation Content

(take all material and determine the most salient elements for inclusion in presentation)

All Group Members

PowerPoint

(responsible for entering data into PowerPoint slideshow)

Other Tasks:
